EDUCATION

Diploma in Software Engineering | APTECH Institute, Karachi | In Progress

Currently pursuing a comprehensive diploma program covering full-stack development, software engineering principles, and modern development practices.

Matriculation (Science) | Board of Secondary Education, Karachi | 2025

Successfully completed secondary education with a strong foundation in science and mathematics, demonstrating academic dedication and discipline.

PROJECTS & PORTFOLIO

► Responsive Portfolio Website

Designed and developed a fully responsive personal portfolio website using HTML5, CSS3, and JavaScript. Features smooth navigation, modern UI/UX design, and mobile-first approach.

► E-Commerce Landing Page

Built a visually appealing e-commerce landing page with product showcases, hover effects, and responsive grid layouts using CSS Flexbox and Grid.

► Business Website Templates

Created multiple professional business website templates including restaurant, salon, and corporate layouts with modern design trends and clean code structure.

► Graphic Design Collection

Designed a diverse range of marketing materials including social media posters, promotional banners, flyers, and branding assets using Canva and image editing tools.

KEY STRENGTHS

- **Quick Learner** — Rapidly adapts to new technologies, frameworks, and design trends with minimal guidance.
- **Hardworking & Dedicated** — Committed to delivering high-quality work and meeting deadlines consistently.
- **Punctual & Reliable** — Values time management and maintains professional discipline in all commitments.
- **Creative Problem Solver** — Approaches challenges with innovative solutions and attention to detail.
- **Self-Motivated** — Proactively builds skills through self-directed learning and hands-on project development.

LANGUAGES

- **Urdu:** Native / Expert Proficiency
 - **English:** Basic Proficiency (Reading & Writing)
